

## Frequently Asked Questions with **Answers:**

Was my child automatically registered since he attended Bruner for 6th grade?  
**I cannot see his classes right now, they shut off the program to view schedules but I can check back on that. If he was at BMS last year then he has a schedule.**

Are we able to view/edit the courses he is registered for?  
**Yes, there are Schedule Change Request forms you may fill out to make changes once you see the schedule (about a week before school starts).**

Are students still on Block Scheduling next year?  
**NO!! We are so happy!**

Will there be an orientation?  
**I have included our new student orientation flyer in case you wish to come.**

We got our child a larger locker last year for \$20--will that be an option this year?  
**Yes, there will be lockers available on a first come first served basis-more info TBD.**

I tried to find the information on the school website but I could not find it readily available.  
**We are working to update our website.**

How can I register during the summer?  
**Welcome! We are so happy to have you as our newest Spartans! Please come by the office M-F between 8-2 to get the registration packet. You can fill it all out, and bring it back to get your student all signed up. Please remember that 7th grade students must have the TDAP vaccination to start school on the first day, August 10th.**

**We welcome you to attend our New Spartan Orientation on 7/29 at 9 am starting in the gym.**

**Please let me know if you have any further questions!**
