## Larger Blue Locker Upgrade

### Sales Plan

2022

All students are provided a small gray locker at no cost. Backpacks are not permitted after 8:00 am until 2:30 pm. The lockers are in need of replacing since they are original 50 year-old lockers. Over the past 3 years we have begun to purchase 80 larger blue lockers a year. 8<sup>th</sup> grade currently has 80 larger blue lockers located on the 800 hall available for upgrade purchase \$20 each. 7<sup>th</sup> grade currently has 80 larger blue lockers on the main hall available for upgrade purchase \$20 each. 6<sup>th</sup> grade's 80 larger blue locker are on back order with an estimated arrival before 2<sup>nd</sup> semester. Students will receive a gray locker until they are installed. We are only charging \$10 for these 80 larger blue locker upgrades due to this delay. We are hopeful they are installed by October, but with backorders the way they are, we are not confident they will be in before December.

Presales of all larger blue lockers will start on July 27 and continue until sold out; which happens very quickly. I will be available on the bus ramp for a drive through presale payment for these awesome locker upgrades from 4:00-5:30 pm on July 27<sup>th</sup> and July 28<sup>th</sup>. Presales will be available in the front office from there on until sold out. Remember these lockers go quick so presales are important and FIRST COME FIRST SERVED. Parents or families out of town may send someone in their place to reserve a locker for them. All we are collecting is name grade and the payment with lockers assigned the first couple days of school.
