

Principal's Corner

Spartans and Parents,

Our winter activities are in full swing and the temperatures are dropping. Our soccer teams are battling on the grass and our basketball teams are tipping off weekly. The swim team is practicing before the glorious sun rises and our teachers are getting ready for our important spring assessments.

We appreciate our parents' support of our academic, behavioral, and extracurricular endeavors for your children.

When school resumes on January 4th the registration procedure for the 2010-2011 will begin to unfold. It is so important that all of our Spartans focus on their studies as teachers and counselors start building course request for next year.

On behalf of the Bruner Middle School's faculty and staff, I would like to thank you for giving us the opportunity to work with your children this year.

Have a Safe and Enjoyable Holiday Season,

Mr. John Spolski
Principal
